SUBJECT: AVIATION INFRASTRUCTURE GAP ANALYSIS FOR AFRICA

Action Required: Nominate Experts to attend virtual sensitization and awareness session on the questionnaires and Data Gathering Tools on 2nd November 2023, 13h00 UTC

Dear Director General,

I have the honour to inform you that the African Union Commission (AUC), the African Civil Aviation Commission (AFCAC) and the International Civil Aviation Organization (ICAO) in collaboration with relevant stakeholders in the framework of implementation of the Single African Air Transport Market (SAATM) Joint Prioritized Action Plan (Pillar 4 on Aviation infrastructure) have planned to carry out Aviation Infrastructure Gap Analysis for the African continent.

The main objective of the Project is to develop the continental aviation infrastructure Gap Analysis with a 25-year air traffic forecast to provide inputs to the development of seamless and interoperable air navigation systems in Africa. The main outcome of this initiative is, among others to enhance safety, capacity and efficiency in the provision of Air Navigation Services on the continent through harmonization of operations and procedures, as well as the acceleration of investment to enable integrated infrastructure.

With the above background, I am pleased to kindly invite you to nominate Experts from your State/Organization to attend the sensitization and awareness virtual session on the questionnaires and Data Gathering Tools to support the achievement of the successful outcome of the project.

The session, scheduled for 2nd November 2023 at 13h00 UTC, is intended for technical personnel from CAAs and industry (Airlines, Airports, ANSPs, etc) responsible for Aviation Safety and Security as well as Air Navigation Capacity and Efficiency related matters. The registration link for the meeting is provided below:
