**To :** All Aviation Industry Stakeholders  
**From :** Nigerian Civil Aviation Authority (NCAA)  
**Attention:** Country Manager/Accountable Manager  
**SUBJECT: INVITATION TO VIRTUAL HIGH-LEVEL MINISTERIAL MEETING**

It is my honour to inform you that the Federal Ministry of Aviation of the Federal republic of Nigeria, in collaboration with the International Partners for Aviation Development, Innovation and Sustainability (iPADIS) is organizing a virtual conference of Ministers responsible for Air Transport in the West African States from 17 to 18 March 2021 on the theme: *Air Transport Connectivity and Growth in West Africa*.

2. The goal of the conference is to bring together virtually, Ministers, High-level decision makers, industry representatives, aviation professionals and other aviation stakeholders in the sub-region to brainstorm on how to revitalize, reimagine and retool the aviation system in West Africa to meet present and future challenges. It is a known fact that the impact of COVID-19 pandemic has further exacerbated the challenges and difficult position of our aviation industry in our national and collective efforts to ensure increased air connectivity and sustained air transport development.
3. The Event programme is designed to build on various Declarations, Roadmaps and political commitments made in the past to address challenges in aviation safety, security, infrastructure development, air transport and tourism development, passenger connectivity and cargo development in the sub-region. The discussions would tackle existing and future challenges facing the industry and proffer practical solutions and strategies to effectively address the identified challenges.
4. It is with great pleasure that I invite you to participate in this very important virtual conference and collaborative efforts to reposition
